

**100 % COMPATIBLE  
WITH HEXIS FILMS**

# MAT & CLEAN

Care of matt, film-coated surfaces. Cleans and controls shine.

This product allows you to gently and effectively clean all film-coated surfaces without altering their matt surface finish. Its unique formulation guarantees professional results without leaving any traces. Your surfaces coated with matt film regain their cleanliness and depth.

## ADVICE FOR USE

- Apply on dry surfaces.

*The surfaces must be cold or at room temperature and protected from the sun.*

- Shake the bottle before use.
- Spray evenly and without excess at a distance of approximately 20 cm (7.87 in.) on the dirty surfaces.
- Clean with a microfibre cloth or a soft dry cloth.
- Wipe down if necessary.

## TIPS

- Regular maintenance with the product helps to improve the protection of your matt films.

## COMPOSITION

Contains: BENZALKONIUM CHLORIDE

## FEATURES

Appearance: Liquid  
Colour: White

## PRECAUTION FOR USE
