Easy Airpress Standard 4 FP

Stressless work

The EMBLEM Easy Airpress Standard 3 FP permits punch and eyes in one work procedure.

For activating a foot pedal is pressed, so that you have both hands free for handling the banner. The mobile desk is an optional accessory.

The EyeLED-pointer assists you in the positioning of the grommets. It will be delivered with a battery case and a power pack.

The EyeLED-pointer will be displayed centrally and so allows an exact positioning of the eyelet.

The Easy Airpress Standard 4 FP with EyeLED-pointer, rollable table and the associated boxes offers you a convenient possibility to simply eye banners, textiles and the like.
