HEXIS  
launches a  
range of special  
self-adhesive film **deco**  
**kits** for **extreme sports**,  
combining **aesthetic** appeal and  
**resistance**.

Intended for short-term decoration of motorbikes, quads, jet-skis and bicycles, the new **HOLESHOT HEX'TREM** range has been developed to **create** and **protect** graphics, logos and sponsors applied to surfaces exposed to abrasion, vibrations and friction.

**HOLESHOT HEX'TREM** is the guarantee of perfect adhesion and a perfect visual finish.

Stand out on  
**every turn**
